the following roads are open to become eligible as a ~~business~~ at the Dresden School of Technology:

- a. By regular "Habilitation" ~~(extraordinary)~~ either as a regular "Habilitation" candidate or as an extraordinary "Habilitation" candidate. Students are eligible for regular candidacy after having taken their doctor's degree if they are considered to have scientific qualification and were entered in the list of candidates by their college. They undergo special training for three years under the supervision of their professor. During this training period, candidates receive a monthly salary of 650 DME. Extraordinary "Habilitation" is open to persons already active in professional life who seem qualified to become a lecturer after "Habilitation". Persons who never attended college are trained for four years. The age limit is 50 years.
- b. Without "Habilitation", for persons being elected by institutes, especially newly established or yet unestablished institutes, on the grounds of their special qualifications. This election is not ~~connected~~ with any "Habilitation" and the professorship will be granted ~~without~~ previous "Habilitation".
